

# Tracing Never-ending Diseases.

## New Trends in Medical, Material, and Audiovisual History

Summer School

**5-9 June 2023**

Brocher Foundation, Geneva, Switzerland

The **Summer School** will probe the history of public health methodologies and materials in education and medical research to trace, test, inventory, and treat infectious diseases between the end of the 19th century and the present day through 5 days of intense discussion and hands-on research activities.

**Confirmed speakers:**

Eva Åhrén (Karolinska Institutet, SE)

Jean-Paul Gaudillière (EHESS, FR)

Anna Harris (Maastricht University, NL)

Janina Kehr (Universität Wien, AT)

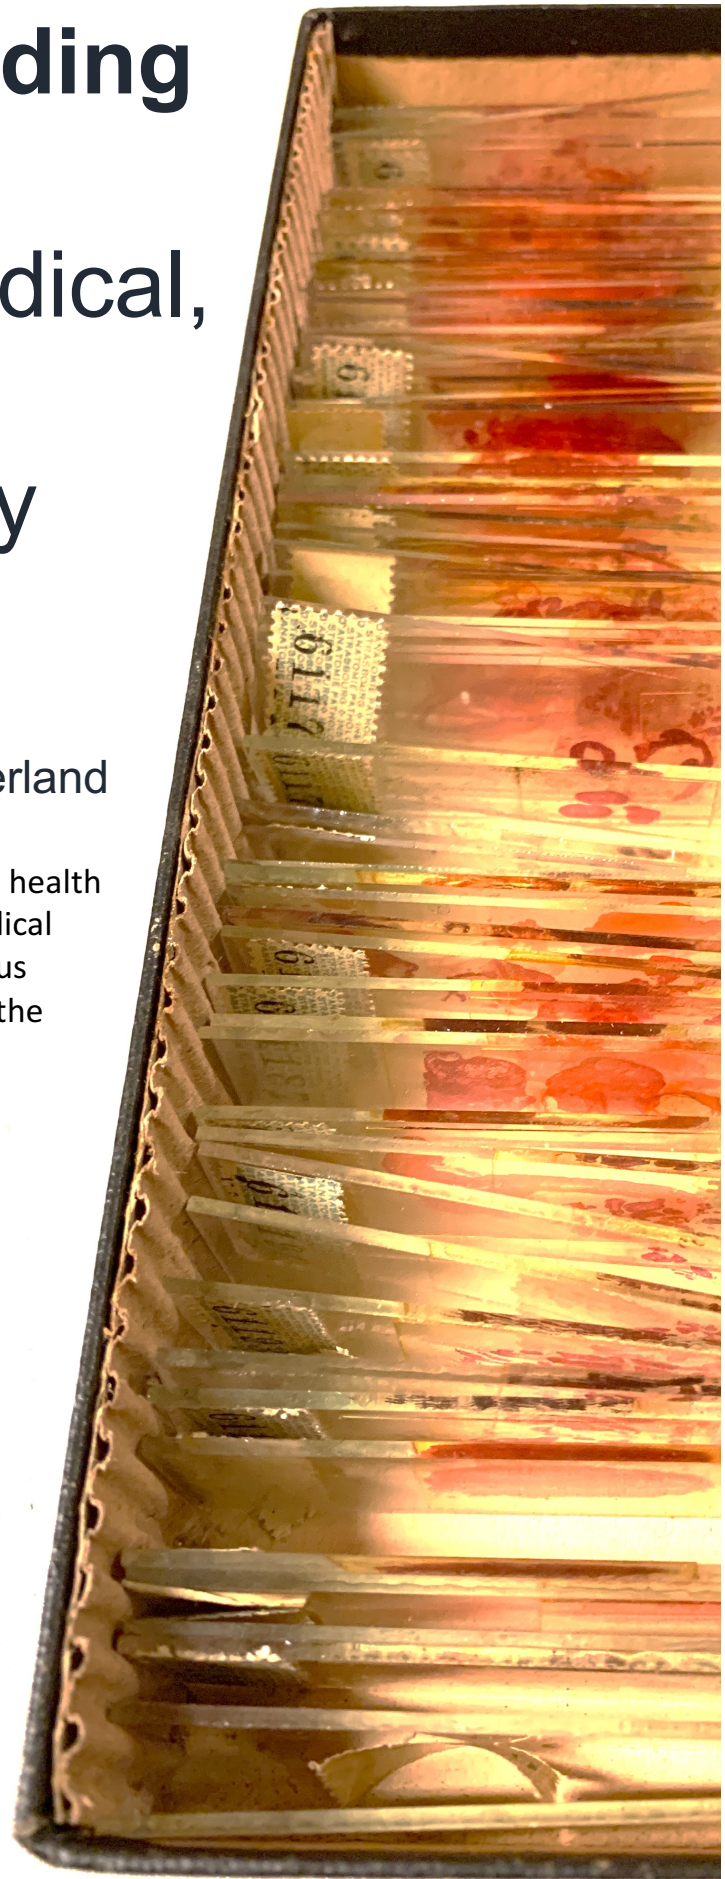

Christos Lynteris (U. of St Andrews, UK)

Theodore Porter (UCLA, USA)

**Application deadline: 15 January 2023**
